

CLERK: Mr. President, LB 632 was a bill that was introduced by Senator Hartnett. (Read title.) The bill was introduced on January 23 of last year, referred to the Revenue Committee, advanced to General File. I have committee amendments pending by the Revenue Committee, Mr. President.

SPEAKER BARRETT: On the committee amendments, Senator Vard Johnson. LB 632.

SENATOR V. JOHNSON: Oh, Mr. Speaker and members of the Legislature, the Revenue Committee advanced LB 632 to the floor of the Legislature over my objection. And, as they were doing that, they attached amendments which would limit the principal amount of highway bonds to \$125 million. They also agreed to sunset the three cent per gallon motor fuel tax break for ethanol effective October 1, 1987. I think those committee amendments are probably going to be superseded by some of the work that Senator Hartnett has done over the intervening summer and fall. But, in the meantime, I would offer the amendment.

SPEAKER BARRETT: Thank you. Amendment on the desk, Mr. Clerk.

CLERK: I have a series of amendments to the committee amendments. First of all, Senator Smith, I had two amendments from you, Senator, to the committee amendments.

SENATOR SMITH: What are they?

SPEAKER BARRETT: They are withdrawn.

CLERK: Mr. President, I now have...Senator Hartnett, I have AM1546 in front of me.

SENATOR HARTNETT: I would like to withdraw that.

SPEAKER BARRETT: It is withdrawn.

CLERK: Senator, I then have an amendment from you, 2412.

SPEAKER BARRETT: Withdrawn.

CLERK: Senator Hartnett, I now have 2756 in front of me.

SENATOR HARTNETT: Yes, that's the one I would like to work from.
